Elks, Attention!—Elks will meet this evening at 7 o'clock sharp. All members are desired to be present at that hour. Several candidates are to be initiated.

Typhoid at Don Luis—Several new cases of typhoid were reported yesterday at Don Luis. That suburb until recently has been practically free from the trouble.

Always There—Scott White came in from Magdalena en route to the Douglas convention. Scott can not help hankering after politics, and is always on hand when there is something doing.

Divine Services—Church of the Covenant—Sunday school at 10 A. M. Divine worship with sermon at 11 A. M. and 7:45 P. M. A most cordial invitation is given to the people to attend these services.

Welcome Visitor—County Physician Hickman came up from Douglas yesterday morning. At one time Doctor Hickman was a member of the C. Q. medical staff in Bisbee, and is always a welcome visitor.

Likes Bisbee—Mike Delaney returned to his home in Globe yesterday. Mike makes periodical visits to Bisbee in order to see a real live town occasionally, and regrets that his lot cannot always be cast in its precincts.

Headquarters Here—Major W. H. Hiestand, of New Orleans, came to the city yesterday from Douglas, where he has been for the last two months looking after mining interests in Sonora. He expects to make his future headquarters in Bisbee.

Sweet Memorial Church—Service on Sunday at 11 a. m.; Sunday school at 10 a. m. After morning service there will be a business meeting of the congregation. As important matter is to be considered it is expected that all who are interested will attend.

To Steer the Goat—City Clerk Hicks was an outgoing passenger yesterday morning, bound for Cananea, where he goes to assist in the initiation of a number who tonight join the A. O. U. W. of that town. He will return Monday.

Slaughter Here—John Slaughter, of the San Bernardino ranch, came in from Douglas yesterday morning and returned to the Smelter City in the evening. He will be among the Democratic warhorses who will have something to say in Douglas today.

Knows His Business—Chinese Inspector Connell came in on the train from Douglas yesterday morning. His watchful eye has detected many a heathen sneaking into the country that has the race barred, and always succeeds in seeing that they return to the Flowery Kingdom.

Christ Church Services—J. A. Smith, minister of the Church of Christ, will hold services in the hall over the public library in this city tomorrow at 11 a. m. and also in the evening at 7:30. All are cordially invited to attend. The members of the congregation are urged to be present.

Child Breaks Arm—Little Mary Sutter, while riding a burro near her home on Quality Hill yesterday afternoon, slipped from the back of the animal. She struck the ground with one arm bent under her body in such manner that the bone was broken above the elbow. She was taken to her home, where the fracture was later reduced.

Probable Victim—A. H. Emanuel was in the city yesterday from Tombstone. Mr. Emanuel is varying the serenity of his existence these days with a mixture of the spice of politics, he occupying the position of a probable nominee of the Republican county convention for the Assembly.

Jimmy Howell was in from Tombstone yesterday extending the glad hand to his friends. Still single. T. J. Franzen has returned from his extended visit to the World's Fair. He came back without a better half, the securing of which was reported at the time of his departure from here as one of the objects of his visit. His friends have another guess coming.

Ladies of Macabees—At Library Hall Monday evening the Ladies of the Macabees will entertain at a social session. An excellent program has been prepared for the occasion, and those who attend are assured that on parting with fifteen cents each they will be afforded one of the most delightful evening's entertainments that has ever been enjoyed in the city.

Is Suggestive—S. E. Tinker is building an addition to the residence of Thomas Feeney at Lowell. Mr. Feeney is a neighbor of Mr. Gahey, who returned a few days ago from Ireland with a bride. Since which advent Mr. Feeney is reported to have declared that he might cross the Atlantic for a visit himself, in view of which enlargement of his house is suggestive.

Trojanovich Is President—The Bisbee Lumber Co. yesterday held a director's meeting for the purpose of electing officers for the ensuing year. Those chosen were A. Trojanovich, president; E. Marks, vice president and treasurer; C. T. Scott, general manager and secretary. Mr. Trojanovich succeeds the late J. B. Angus. No other changes were made in the official heading of the company.

Pastor Arrives—Rev. J. A. Smith arrived in the city yesterday from San Diego, from where he was called here by the congregation of the Christian Church. Mrs. Smith will join him in this city later on. Rev. Smith comes from San Diego very highly spoken of, both as a church worker and an eloquent speaker. He is a gentleman of most agreeable address, and in this city will doubtless find hearty welcome.

Macabee Ladies—The Ladies of the Macabees will entertain their friends Monday evening in Library Hall. A very interesting program has been arranged after which refreshments will be served. The small admission fee, 15 cents, is no indication of the amount of fun to be had during the evening, and the Ladies promise that an extra fee will not be charged before their guests are released. All friends of the 'Bee welcome.

Favorably Known Physician—Dr. Arnold Greene, of Douglas, made a hurried visit to Bisbee yesterday, returning home in the evening. He belonged to the trio of C. Q. company physicians several years ago, and is known as one of the best physicians and surgeons in the west. In Bisbee he is widely known and esteemed. His mission here was of a political nature, being in the interest of a friend who will come before the convention today.

Clock Still Off—The town clock still perseveres in the habit it contracted a few weeks ago of running behind schedule time. The discrepancy now amounts to five minutes.

At the E. P. & S. W. depot it is asserted that not a day has passed lately that the slowness of the clock has not caused one or more people to miss outgoing trains. Wherefore, there is much condemnation of the condition of affairs that permits the clock to continue on its wayward course. Repairs are in order.

Coughran's Market, under post office, sells finest fruits and vegetables.

STEVE JOHNSON HOME.
Found Parker Sentiment Strong in New England—Roosevelt Considered Extravagant.

Steve Johnson, an old time employee of the C. Q. is home from the New England states and Nova Scotia, where he has been for the past several months visiting his boyhood home. He states that the country is very dull, big cotton mills are closed down and thousands of operators are out of work. As to politics, he added that he found a decided feeling favorable to Parker, as the New Englanders consider Roosevelt's administration extravagant.

Steve is the blacksmith at the Czar shaft where he has been employed for the past twenty years and is known around town as the "Village Blacksmith."

W. K. Meade was a business visitor at Douglas yesterday.

Davy Crockett was in town yesterday from Naco. He avers that Naco feels stronger every day on the car shop proposition.

Fruits and vegetables in variety and freshness are best obtainable at Coughran's market, under post office.

The G. O. P. Ticket Is About Ready

SOME OF THE REPUBLICANS WHO WILL TRY THEIR STRENGTH WITH DEMOCRATS.

Joe McCabe is now assured of the nomination for Sheriff, and Albert Sames, of Douglas, probably will be nominee for Probate Judge.

With the Republican county convention little less than a week distant, the Review finds little interest in the ticket.

The rumor that was started that if J. N. Gaines, the probable candidate for treasurer on the Democratic ticket, received the nomination the Republicans would refuse to nominate a candidate against him, is without foundation. The Review learns on good Republican authority that Mr. Folsom, the manager of the branch store of the Copper Queen company at Naco, will be placed on the ticket for this position.

A Republican, in speaking of the prospects of the Republican County convention which meets at Tombstone on October 1, yesterday had the following to say:

"After looking over the list of delegates elected at the primaries held throughout the county on Saturday last, I am more convinced than ever that McCabe will receive the nomination for Sheriff. Doyle is apparently not eager to make the race since Stewart Hunt will be his opponent, and there is some talk of F. R. O'Brien, of Benson, as a possible dark horse, but a close count of noses will give the nomination for Sheriff to Joe McCabe. Doyle is evidently figuring again on the nomination for Constable in this precinct.

Rhinehart, of the Copper Queen Store, is a probable candidate for the office of Recorder. It was thought two weeks ago that W. E. Bayless, of Naco, would be the Republican candidate for this office, but Mr. Bayless has since refused, and is a candidate for the office of Justice of the Peace in the Smelter City.

"For the Assembly, the three most likely candidates are D. W. Semple, Chas. Bowman and R. V. Daniels, of Naco, with Chas. Overlock assured of the nomination of the Council in opposition to Steve Roemer.

"For District Attorney, no other candidate is mentioned on the Republican side except Tom Flannigan.

"H. S. Morrow, of Bisbee, is slated for the office of County School Superintendent, and the probable candidates for the office of Supervisor are John Montgomery, A. H. Emanuel and E. A. Von Armin."

This is the outlook at present, and no doubt a majority of the Republicans mentioned above will be nominated.

Ben Roberts is reported seriously sick with typhoid fever.
